

Cookie Policy

This website employs Cookies to improve user experience and to ensure smooth functioning and unlimited functionality. Please read more about Cookies used on this site.

What is a Cookie?

Cookies are small text files that are saved by a web browser (like Google Chrome, Internet Explorer, Firefox, Safari, etc.) in the user's end device (computer, mobile phone, tablet), when he/she visits a website, to identify the browser or to save information or settings in the browser. Thus, the website is able to save individual user settings, and recognise and respond to this user later. Cookies may be disabled or restricted. However, without Cookies this site will not be fully functional.

What Cookies do we use and for what purpose?

Several types of Cookies are used (persistent and session). Depending on the functions and purpose, we use technical or strictly necessary Cookies.

Technical or Strictly Necessary Cookies

These Cookies are necessary for you to freely access and browse the site and enjoy unlimited functionality, including ability to receive information about services and purchase them. Cookies are also necessary to satisfy your requests and for the site to remember to which Cookies you have consented. These Cookies identify your device, but do not disclose your identity. They do not collect or compile information, either. A site cannot function smoothly without these Cookies, for example, provide the information that you need or the services that you would like to purchase from an on-line store, or ensure access to a video that you would like to watch. The Cookies are stored in your device until the Cookie has performed the intended function, but no longer than for two years. Pursuant to the Law on Information Society Services, strictly necessary Cookies are inserted automatically. If you prefer to disable these Cookies in the settings of the site, please remember that the site will not be fully functional.

Consent to Cookies/Disabling of Cookies

When you opened our site, a notification popped-up with information about Cookies. By continuing to use this website you are giving consent to cookies being used. It is possible to disable or restrict Cookies in the security settings of all browsers. But please remember, that if you choose to disable strictly necessary Cookies, the site will not be fully functional.
