

## Cookie Policy

This website employs Cookies to improve user experience and to ensure smooth functioning and unlimited functionality. Please read more about Cookies used on this site.

### **What is a Cookie?**

Cookies are small text files that are saved by a web browser (like Google Chrome, Internet Explorer, Firefox, Safari, etc.) in the user's end device (computer, mobile phone, tablet), when he/she visits a website, to identify the browser or to save information or settings in the browser. Thus, the website is able to save individual user settings, and recognise and respond to this user later. Cookies may be disabled or restricted. However, without Cookies this site will not be fully functional.

### **What Cookies do we use and for what purpose?**

Several types of Cookies are used (persistent and session). Depending on the functions and purpose, we use technical or strictly necessary Cookies and Analytics Cookies.

#### Technical or Strictly Necessary Cookies

These Cookies are necessary for you to freely access and browse the site and enjoy unlimited functionality, including ability to receive information about services and purchase them. Cookies are also necessary to satisfy your requests and for the site to remember to which Cookies you have consented. These Cookies identify your device, but do not disclose your identity. They do not collect or compile information, either. A site cannot function smoothly without these Cookies, for example, provide the information that you need or the services that you would like to purchase from an on-line store, or ensure access to a video that you would like to watch. The Cookies are stored in your device until the Cookie has performed the intended function, but no longer than for two years. Pursuant to the Law on Information Society Services, strictly necessary Cookies are inserted automatically. If you prefer to disable these Cookies in the settings of the site, please remember that the site will not be fully functional.

#### Analytics Cookies

Analytics Cookies compile information about your use of certain sites and their features, including the content that you access on the site. This information is used in aggregated form solely for analytical purposes to determine what the users are interested in to be able to improve the functionality of the site and make it more user-friendly. Analytics Cookies identify your device, but do not disclose your identity.

In some cases third parties may manage some Analytics Cookies on our behalf and for the purposes indicated by us, for example Google Inc. "Google Analytics" Cookies to improve the quality of content on our site or to adjust it to the needs of users. See <http://www.google.com/analytics/terms/us.html> for more information about "Google Analytics".

These Cookies are stored in your device up to two years.

## **Consent to Cookies/Disabling of Cookies**

When you opened our site, a notification popped-up with information about Cookies. By clicking “Accept” or “Decline”, you can consent or withdraw your consent to the use of Analytics Cookies. You can change your mind at any time – see “Cookies settings” at the bottom of the page. By clicking on “Accept analytics cookies” you confirm that you have read the Cookie Policy, including information about Cookies and their purpose, and that you consent to the use of specific types of Cookies. It is possible to disable or restrict Cookies in the security settings of all browsers. But please remember, that if you choose to disable strictly necessary Cookies, the site will not be fully functional.
